Diocese: _____

Priorities for Leadership

Congregations typically look for potential rectors who have skill sets or experiences in specific areas of ministry. Below is a list of commonly sought skills and experiences. Please review the list and indicate, in your opinion, the five highest priorities for the next rector.

- Providing administrative leadership for the congregation's ministry _____
- Actively and visibly supporting the church's stewardship program _____
- Directly involving laity in the planning and leadership of church programs and events _____
- Planning and leading a program of new member recruitment _____
- Participating in local community activities, issues, and problems _____
- Holding social justice issues before members _____
- Planning and leading worship sensitive to the needs of the congregation _____
- Emphasizing the spiritual development of members _____
- Visiting the sick, shut-in, and bereaved and visiting members at their homes _____
- Supporting the school and promoting a strong relationship between church and school _____
- Pastoral counseling of members having personal, family and/or work related problems _____
- Developing and supporting religious education programs for children and youth _____
- Developing and leading adult education programs _____
- Supporting the world mission of the church _____
- Participating in Diocesan or national Church level activities _____
- Openly sharing his or her personal faith _____
- Actively supporting outreach programs to the community _____
- Collaborating with other churches in community ministry _____
- Participating in and inviting others into renewal ministries (Cursillo, etc.) _____
- Helping people see connections between scripture and their daily lives _____
- Supporting a strong music program _____
- Familiarity with social media _____
- Possess bilingual/bicultural skills adequate to lead worship in Spanish & English _____
